ARLINGTON, TX – July 21, 2025 – HREBA (Hispanic Real Estate Brokers Association Inc) is proud to announce it has been selected as a grantee of the inaugural BEACON Fund at North Texas Community Foundation. The BEACON Fund—a new grant initiative dedicated to driving community development in historically disinvested neighborhoods across North Texas—has awarded HREBA a \$13,500 grant to support its HUD Certified Housing Counseling program.

The grant will underwrite the expansion of HREBA’s HUD Certified Housing Counseling services—directly expanding service capacity and increased impact. The priority focuses on housing counseling assisting with homelessness prevention and eviction mediation, allowing services to more families in crisis. The grant will also help in providing one-on-one guidance, group workshops, and outreach events aimed at empowering first-time homebuyers and low- to moderate-income families. “This funding allows us to deepen our impact,” said Leticia Gallegos, Co-Founder/CEO HREBA. “We are deeply grateful to the North Texas Community Foundation and the 2025 Funding Partners for believing in our mission and investing in the futures of our Arlington families,” Gallegos added.

“North Texas Community Foundation is thrilled to invest in HREBA’s work,” said Whitnee Boyd, EdD, director of community impact at NTCF. “We look forward to the impact their work will have on our community. Their ability to provide culturally competent, bilingual counseling aligns perfectly with the BEACON Fund’s mission to light the way toward greater prosperity for all residents of our region.”
